

Site Safe New Zealand Health & Safety Innovation Award

This award recognises exceptional commitment to health and safety by a company or organisation within the industry. Entrants must provide evidence of an initiative or approach that eliminates or minimises a health or safety risk in the water industry.

Please note that your entry should be no more than 1,000 words.

How to enter:

Entering could not be simpler – just complete each section of this form.

Eligibility:

This award is open to companies or organisations of ALL sizes. The initiative, project and/or campaign should either be ongoing or have been commenced by 20th August 2021.

What to include:

- a. Please provide a brief outline of the safety initiative, how it originated, and its objectives. (200 words)
- b. Please explain who the key players in the safety initiative were and how they worked together to deliver its success. (200 words)
- c. Please explain the innovation behind this safety initiative. How does it go beyond existing best practice? What makes it stand out from other initiatives in the industry? (200 words)
- d. Describe the health and safety benefits achieved by the initiative, including the improvements in organisational or team health and safety performance (up to 200 words)
- e. What is the potential for adopting this safety initiative across the water sector and elsewhere? How could it positively impact the industry in the future? (200 words)
- f. Please upload:
 - Hi-resolution photos x 3
 - Supporting documents x2 (Optional)

Judging Process

- The judging will be conducted by a panel of industry professionals.
- The judges reserve the right to not offer the award depending on the quality of entries. The judges' decision will be final
